# VISION 2022

## MISSION

The South Suburban Missionary Baptist Church encourages *liberation, imagination, fulfillment, and education* to manifest an abundant life through touching lives, teaching people, transforming minds, and thanking God.

## VISION

Building on Jesus' announcement in John 10:10, God desires that believers live an abundant life that is full of joy and strength in mind, body, and soul. An abundant life is a fulfilled and satisfied life in Christ that brings newness, maturity, and spiritual growth. We can expect God's greatness for our lives through prosperity, grace, and fruitfulness. Divine fulfillment grants us peace, goodness, and mercy that shall follow us all the days of our life.

## 2022: THE YEAR OF ABUNDANCE & INCREASE

God's big bounty will open in 2022, with double and triple things coming your way. Expect an abundant prosperity like you have never seen before because the heavens will open this year for you and rain will come in this season. God will bless the work of whatever you put forth your hands to do. (Deuteronomy 28: 11-12)

## GOD IS UP TO SOMETHING BIG!

Watch out for the "BIG" things God will do during this year, bringing us to a place of abundance, increase, and fulfillment in our faith, finances, and fellowship.
